

Dear Student/Parent,

‘a pleasure to read...’

emagazine is a quarterly magazine specially designed for A Level students of English Literature, Language and Literature, with stimulating articles on set texts, examination topics and material to help students with their AS and A2 modules and university interviews.

If the school or college has a Centre subscription to *emagazine*, students can have their own subscription delivered to the school for just £12 (4x64-page issues per year).

You can download a sample issue of the magazine at our website
www.emagazine.org.uk

We do hope that you will take up this opportunity for invaluable support for English A Level.

Best wishes,

Barbara Bleiman Lucy Webster
