HAVE A BIG
ADVENTURE

PLAY FOR ENGLAND
WIN A TALENT SHOW

I was born and raised in a shotgun house my mum worked 7 hours everyday to support me. My brother, well he was a ~~top~~ suspicious character he joined a gang when I was 36 and that gang was called the vinder in gang.

They would be one of the biggest cartel owners in Mexico. My brother tried to leave many times but couldn't because from my point a view this world was unfair. But secretly deep down he knew he would get killed or assassinated which wasn't a option for him even though he said he had nothing to lose.

But it wasn't always like that to start we have to go back to the 80s ~~where~~ when everyone would listen to pop bands.

I felt my heart beating my hands ~~palms~~ sweating my ~~hands~~ could be worse then his cold hard hands

The next day I woke up had my breakfast and changed into my kit then asked my mum where are my boots and she gave them to him and thinks mum I want got my bike and left when I got there I met the coach and he said welcome to the team I played my first game after a while I got the ball set someone for a amazing goal team we were 10 up then one we lost one of our teammates

after getting back straight in the knee we were a disaster down they got past us and put the ball in the net 1-1 it was the last minutes and we got a free kick we got together to see who would take they chose me so I placed the ball the #1 left said when your ready I got a few steps then shot ball was so quick the keeper couldn't even blink or move the whole team celebrated and we won 2-1 went home celebrated went to party for my next game

"I always knew they were special," says proud mum.

"I knew them before they could afford shoes!"

in my own words — LITERALLY

Make up five entirely new words.

Write a 200-word account of your day that includes the words you have just made up.

The 5 words I'm going to use are:

- jungle, jewel, treasure, obstacles, island.

- A Master Has an evil plan for a young man called Zacharia. His plan is for Zacharia to go into the most dangerous island/jungle in the world to get this **Moan Ruby Red Maracatus Ruby**. However if Zacharia doesn't deliver his Master (A drug dealer) he will brutally murder his Mother. The day begins, Zacharia is flown onto the beach of the Island. With him is a flashlight, but, I often a bottle of water & a map.

The Map has a big red X in the middle. He expects that it means the thing he's looking for is here.

Shotty Bonts FIPWALLER

He has many obstacles in the way thought. Getting to the middle wouldn't be easy. **Piss**

First he'd need to climb a wall mountain. In his bag there was a rope & a key set safety equipment.

After a few tries and falling a couple times he made it up the mountain. step 1 completed successfully.

Next step.

ALIENS HAVE ARRIVED

Write a story or the opening of a novel which begins with aliens invading your school.

A massive UFO had just appeared out of no where in the sky on top of the front field. Everyone could see it, everyone was outside, everyone was shocked. I stood there silently and didn't move.

Some people tried to throw rocks & objects at it, until moment later a PE teacher threw a javelin at it and hit it. It went straight through the UFO. You could hear a massive ROAR. The Aliens were furious. A massive speaker boomed through the school saying "People of Earth, you have angered us, broken our ship, you'll pay for this..." The Aliens appeared out of thin air. They were at least 12 foot tall, they had Ray guns which shot fire, but worst of all they were coming to shoot your humans. Alarms sirens blasted the school, people were screaming, crying, dying, it felt like the end of the world. The Aliens found out about a control room that could destroy the school. They marched in 1 to the basement underground and blasted the vault of the control room and opened. The doors where they found a button which labelled "press this for the End. The 1 alien pushed and smiled. They pressed the button.

ARE THEY FRIENDLY?
HOW DID THEY GET HERE?
HOW WILL THEY COMMUNICATE?
WHAT HARM IS THERE MUST BE SOMETHING THEY ARE AFRAID OF.
WHY LAND IN A SCHOOL?

SCIENCE FICTION IS THE END OF THE EQUATION: REALITY + WHAT-IF = ?
